This operation will allow the update of all private properties in Quebec. The actual cadastre goes back to 1860 & is incomplete and not exact. This cadastral renovation will start in West Bolton in the next couple of years. A surveyor has been hired to do the job, he will need your collaboration to obtain private documents. Before the work starts in West Bolton, the Minister of Natural Resources will communicate in writing to all property owners in the municipality.</p>	<p><u>PRECIOUS INFORMATION</u></p> <p><u>PROPERTY MAINTENANCE</u> In order to contribute to a better flow of water in the ditches, when required, please inspect and clean your driveway culvert. This culvert is your responsibility and must not at any time hinder the flow of water in the ditch which belongs to the municipal road system.</p> <p><u>Minister of Natural Resources & Fauna</u> would like to remind you that surveillance is the best success against the propagation of rabies among raccoons. They request your collaboration, if you see a dead raccoon, skunk, fox or suspect something, please let them know. Their goal is to eliminate rabies in Quebec. Two ways to advise them, call Services Québec at 1-877-644-4545 or complete the form on line at www.rageduratonlaveur.gouv.qc.ca.</p> <p><u>The Quebec Lung Association</u> advises that radon kills, check your home. Radon is a radioactive gas produced naturally by decay of uranium in the earth's crust. Because radon is odourless, colourless and tasteless <u>it cannot be detected by the senses.</u> To find out more about radon or order your detector call 1-514-287-7400#232 or www.pg.lung.ca/radon.</p> <p><u>COORDINATES OF THE MUNICIPALITY of west bolton</u></p> <p>9 Town Hall, Bolton-Ouest.
